Personal Briefs of People at Home and Abroad

March made a very lamb-like debut.

Mr. Willard Stephenson, of Bolar, was a visitor to Monterey Tuesday.

Have you heard the robins and toads?

Mr. Howard Halterman has gone to the inauguration.

February, always short, was this year sweet, as well.

Little Miss Evelyn Jones was reported right sick early in the week, but is now better.

Mr. Robert Wiley, of Mill Gap, was one of the few visitors to Monterey Wednesday.

Postmaster, H. M. Slaven, has received a supply of the new Lincoln postage stamps.

Messrs. Joseph and Kemper Gibson have just completed a new portico at the rear of their residence.

Mr. D. H. Peterson has been confined to his room for the past week from an attack of bronchitis.

Mr. W. A. Bussard, of the Greenbrier Valley, came to Monterey Friday last, remaining only a few hours.

From such information as we have at hand, Highland has a slim representation at the inauguration today.

The clerk of the court last week issued a marriage license for Mr. James A. Lowery and Miss Viola Edmunds, both of Jackson's River.

With such lightning weather changes it is hard for even Robin Redbreast to keep intact his reputation as a harbinger.

We call attention to the sale notice, elsewhere in this issue, of Miss Clara Hoover's personal property; also the new ad of Ira W. Nicholas.

There will be a regular communication of Highland Lodge, No. 110, A. F. & A. M., on Friday evening, February 5th.

One of the worst storms of the year is raging today—Thursday. The ground is covered with snow and it is driven in blinding sheets. The mercury registered 18 above zero this morning.

Miss Mag Jordan, who lives South of Monterey, had the misfortune to fracture her arm one day last week. Dr. K. H. Trimble rendered the necessary attention.

We understand that Messrs. Wm. F. Jones and Lloyd Sullenberger have gone to Kentucky to look out fine saddle horses, something that Highland needs.

In spite of the early opening, the present sugar season is pronounced a failure by many with whom we have talked on the subject.

It is very difficult for a weather man, local or national, to keep up with this sort. When it's splendid, it is either threatening or carrying out its threats.

We are pleased to state that Mrs. W. H. Hiner's condition continues favorable, and that there is every reason to hope that she will soon be able to make the trip to a hospital in quest of permanent relief.

A quarterly meeting of the M. E. church was held last Saturday and Sunday at Asberry. Rev. H. T. Hironimus filling the place of the presiding elder.

Mr. J. A. Ziegler, representing the firm of Ziegler Brothers, Timberville, Va., is in the county looking after walnut logs. As most of us know, he finds them scarce in Highland.

Man is dust;
Dust settles;
Are you a man?
(This is not original,
But some of my accounts are)
Chas. B. Fox, M. D.

Calhoun brothers, of Deerfield, delivered 150 bushels of wheat to the Monterey Milling Company Tuesday. These gentlemen are not only extensive farmers but also cattle dealers, as well, and while here are negotiating for some of our Highland bluegrass.

After an absence of twelve years, Mr. William Simmons, of Elkton, W. Va., is visiting his parents, Mr. and Mrs. John W. Simmons, at Forks or Water. His brother, Mr. Stuart Simmons, met him here Tuesday evening.

Editor Wood this week sent us a box of oranges by mail. This statement is no prevarication, but, while it boost brother Wood's reputation for generosity and thoughtfulness, it is straining on our veracity as well as the capacity of Uncle Sam's mail pockets, hence we explain that the box was 2X2X6 inches, and contained a dozen "baby oranges," a souvenir of the Tampa fruit-fair.

This is the most dangerous time of the year to catch cold, and it is the hardest time to cure it. If you should take a cold, a few doses of Kenedy's Laxative Cough Syrup will act very promptly. Its laxative principle cures the cold by driving it from the system by a gentle but natural action of the bowels. Children especially like Kenedy's Laxative Cough Syrup, as it tastes so good, nearly like maple sugar. It is sold by K. H. Trimble.

MRS. ELLA FLEISHER DEAD

This morning, March 4th, at 7 o'clock, the spirit of Mrs. Ella Fleisher passed to the Haven of Rest. Her death was due to tubercular trouble, and her case has elicited great sympathy on account of the long illness and suffering.

Mrs. Fleisher was about forty years old, and the widow of B. E. Fleisher, who preceded her to the grave about nine years.

She was a daughter of the late Adam Arbogast, of Pocahontas, and her aged mother is still living. Three sisters survive her: Mrs. Eliza McElwee, Mrs. Rachel Arbogast and Mrs. Hulda Yeager. Dr. P. D. Arbogast and Mr. N. B. Arbogast, brother and half-brother, respectively, reside at Durbin, W. Virginia.

She leaves behind, also, two little girls, Carrie and Lucile, for whom, during her long illness, she has always manifested that deep concern which only a mother feels.

Mrs. Fleisher was a member of the M. E. Church South, and her years of suffering were borne with marked Christian fortitude and resignation. For many weeks she had longed for the change which would give her rest, and relieve loved ones of the burden and care incident to her helpless condition.

In the absence of immediate friends, and on account of the prevailing storm, no definite arrangements have been made for the funeral, but it will probably take place Friday evening.

[Just before going to press we learn that 3 o'clock Friday afternoon has been fixed upon as the time for burial.]

TERM LENGTHENED

Under a recent ruling of the State Board of education, the grammar grades connected with state high schools will have to be run for the same length of time that the high school does—eight months. We infer from the reading of the notice that the new regulation is to take effect after the present school year. The penalty for failure is the withdrawal of State aid for high schools. In other words, in order to hold the present allowance from the State, the three high schools of the county will each have to expend from 60 to \$70 more of the local funds for the benefit of the grammar grade.

SULLENBERGER-SHUMATE

The announcement of the marriage of Mr. Max Sullenberger and Miss Fannie Dice Shumate came as a surprise to their Monterey friends last Saturday. Miss Fannie, who had been spending some time at Dunlevie, was joined by Mr. Sullenberger, and going on to Cumberland, Md., they were married.

Both of these young people are well-known in the Monterey community, the bride being a daughter of Mr. and Mrs. A. A. Shumate, and the groom the son of the late Samuel Sullenberger, for years a prominent merchant of the county.

Mrs. Sullenberger came in on Monday for a short stay at the old home before going to housekeeping on the Greenbrier.

JUST FOR FUN

A correspondent writes: "As Dr. Fox displays, in the Recorder of Feb. 26th, a taste for logic, the following syllogisms are respectfully submitted for his consideration and criticism, viz:

- (1) All foxes are quadrupeds; Herod was a fox, Therefore Herod was a quadruped
- (2) A mouse is an animal; Therefore a very large mouse is a very large animal.
- (3) All doctors are men; Therefore all good doctors are good men, and all poor doctors are poor men."

Mar. 2, '09 VIRGINIAN.

MR. A. B. FAUVER

After a six-weeks' illness, caused by a complication of diseases, Mr. A. Briscoe Fauver died at Jennings Gap on Thursday morning, February 25, 1909.

Mr. Fauver was born June 13, 1857, in Highland county, where he spent the early part of his life. Twenty-four years ago he married Miss Sallie Cross, of West Augusta, who, alone, survives him. Until a few months ago, he had, for several years, kept a wagoner's house at Lone Fountain. He was very widely-known and very much liked by travelers from Highland county, who, as well as his friends in Augusta, will be very sorry to hear of his death.

The interment took place at West Augusta on Friday, funeral services being conducted by Rev. H. A. Wilson.

New Salem News.

Feb. 27, 1909. February has furnished some April weather, but the last few days remind us of winter again.

None of the families of this section escaped grip, but all are much better now.

Mrs. Elizabeth Graham has been quite sick, but is reported better. J. R. Rexrode is putting in a phone, and will connect the line at Pearl Williams'.

THE LURID GLOW OF DOOM

was seen in the red face, hands and body of the little son of H. M. Adams, of Henrietta, Pa. His awful plight from exema had, for five years, defied all remedies and baffled the best doctors who said the poisoned blood had affected his lungs and nothing could save him. "But," writes his mother, "seven bottles of Electric Bitters completely cured him." For Eruptions, Eczema, Salt Rheum, Sores and all Blood Disorders and Rheumatism Electric Bitters is supreme. Only 50c. Guaranteed by K. H. Trimble.

OBITUARY

The death angel has again visited our neighborhood and taken the youngest child of Mr. and Mrs. C. P. Houlihan. She was one year, eight months and ten days old.

She was one of the greatest sufferers ever known in our community. Everything was done that kind parents and loving hands could do, but God knew best.

Cheer up, parents, do not weep; Though thy loving daughter's gone, She will nevermore return, Until the resurrection morn.

A Friend.

Mrs. Rebecca Bader, widow of A. J. O. Bader, died last Friday afternoon at the home of her son, Prof. John H. Bader, near McGeheysville. She was 93 years old, the daughter of James Olinger, who served as lieutenant in the Continental army during the Revolutionary war. Mrs. Bader was an aunt of our townsman, Mr. L. A. Carichoff, and was the last of her generation.
